HOSIERY FOR MEN

Never since this house was opened for business have we shown such a varied assortment of plain and fancy hose for men. The most striking colors and shade combinations are here and the price is not high.

We Have the Celebrated INTERWOVEN TOE AND HEEL

In conservative shades priced at THREE FOR A DOLLAR

Silk Lisle in rich colorings and finest weaves. All Spun-Silk in shades suitable for dress occasions.

Our Hosiery showing is large and unequaled in the city. This remark applies, as well, to our neckwear. For breadth of designs in Silk weaves, some of them out from Paris, there is no store in the city making such elaborate offerings.

Your inspection is invited.

The Careless Way

CRAVENETTE COATS

The application of the Craven process to woolen materials was a great thing for Craven—and humanity. It has kept non spot-proof garments from spoilage and deprived undertakers of work that would have otherwise been theirs. We are making a fine showing of raincosts treated in this manner and cut in the most fashionable patterns. We deliver all goods promptly by special messenger. Our patrons who order by phone report absolute satisfaction. If not, the goods are returnable.
